

Saturday Study Survey

The school is delighted to offer a Saturday study opportunity for students from 2nd yr to 5th yr. By providing the school's study hall facility for five hours on Saturday mornings we hope to encourage the development of good study skills and practices that will benefit students throughout their time in school and especially in the run up to examinations.

The study times on Saturday will be:

Session 1	10am – 1pm.
Session 2	1.30pm – 3.30pm

The cost is €6 per Saturday (*pay-as-you-go*), or if you prefer to pay for the remainder of the term up until Christmas (Saturday 10th Dec) the total cost for five Saturdays is €25 (€5 per Saturday)

The study sessions will be **fully supervised** by Coláiste Éinde teachers.

We will be circulating a survey to students next week to see how many students would like to avail of this facility. We would encourage you to discuss this opportunity with your son/daughter and to make them aware of the survey taking place next week.

Students wishing to sign up to Saturday Study for the rest of the term can bring the money in to Jane in the office.

Should you have any questions please do not hesitate to contact the office
